PROFESSIONAL EXPERIENCE

University Residences - Purdue University — **West Lafayette, IN**
Resident Assistant, Windsor Halls — **August 2024 - Present**

- Foster relationships with 40 residents, facilitating more than 5 daily interactions and once-weekly community events, improving residential living experience and sense of safety within the residence hall
- Develop and organize 32 unique social and educational programs, working within a limited allocated budget while attempting to increase resident engagement from a minimum of 5 attendees to occasionally over 30
- Facilitate support for residents in transition, resource-seeking, and mediation to ensure smooth transitions and comfortable living situations for students through verbal communication skills
- Enforce residence policies and respond to violations and crises, resolving multiple major crises per semester and engaging in active problem-solving, whilst maintaining a safe, positive living environment

Republic Airways — **Fishers, IN**
Marketing and Communications Intern — **September 2026 – Present**

- Interviewed Certified Flight Instructors (CFIs) to capture student-focused stories and insights, turning them into engaging content that showcases LIFT Academy's training experience
- Wrote and published multiple blog posts for the LIFT Academy website, informing prospective pilots about flight training and the path to an airline career
- Produced, recorded, and edited videos using Canva and Adobe Premiere Pro for LIFT Academy and Republic Airways digital platforms, from planning and filming through post-production
- Collaborate with the marketing team to create and deliver content across multiple brand channels, supporting recruitment and brand awareness for both organizations

Purdue For Life Foundation — **Fishers, IN**
Talent Development Intern — **April 2025 – September 2026**

- Coordinated logistics for over 10 workshops in a period of low engagement and work to streamline planning in order to reach full attendance and improve event satisfaction for alumni, team members, and current students
- Developed more than 20 different and targeted book and podcast discussion guides for employees and managers at the Purdue for Life Foundation, supporting company-wide learning and development initiatives
- Assisted in redesigning several development programs during a strategic shift and draft a curriculum that raised alumni feedback scores by 1.2 points

Project Management Institute — **Carmel, IN (Remote)**
Project Management Intern — **August 2025 – December 2025**

- Lead weekly team meetings during a digital reorganization project all while creating agendas and guiding discussions to keep tasks on track and boost collaboration among the team for a long-lasting culture
- Reviewed and restructured hundreds of files within Google Drive to improve folder access and reduce clutter which ultimately streamlined team workflows and improved communication and processes among the team
- Developed an exhaustive list of stakeholder interview questions for process improvement which helped to uncover key pain points and inform future project strategies to allow for ultimate success
